2023 SAUVIGNON BLANC || SONOMA COUNTY

Our vineyard selection for the Sonoma County Sauvignon Blanc has continued to improve over the years. We sourced from five different vineyards for this vintage and the final blend is bright, refreshing and lively with acidity.

VARIETAL COMPOSITION: 96% Sauvignon Blanc, 3% Muscat Canelli, 1% Muscato Gallo

VINEYARDS: 100% Sonoma County

TASTING: The 2023 Sauvignon Blanc opens with a fragrant nose of kiwi-lime, apple, honeydew melon and white peach, with a touch of vanilla brioche. Bright acidity and juicy green apple flavors are coupled with lemon-lime and ginger root in this refreshing wine

2021 PINOT NOIR || ANDERSON VALLEY

This Banshee Pinot Noir comes from a combination of vineyards in Anderson Valley: Middleridge Ridge Ranch Vineyard and Hayward Vineyard. Middleridge Ridge Vineyard sits between two ridges above the town of Boonville on a 160-acre ranch with open, rolling hills and panoramic views of Anderson Valley. This vineyard is influenced by warm western winds, sun exposure and warmer temperatures leading to riper, more fruit driven flavors. Bearmen Bend Vineyard is at the “deep end” of the valley located near the town of Philo at 480 feet elevation. This cool climate vineyard produces intense, dark fruit with structured tannins due to the coastal influences of wind and fog from its proximity to the Pacific Ocean.

VARIETAL COMPOSITION: 100% Pinot Noir; Clones: Swan & Pommard

VINEYARD: 81% Middle Ridge Vineyard, 19% Bearmen Bend Vineyard

TASTING: This rustic pinot noir that hails from near the Mendocino coast has a flavor profile of earthy forest and mushroom with hints of ripe olive and graham cracker. Think of digging in to the “nuts & chews” See’s candy box! Finishes with smooth acid, a beautiful balance of tannins and a hint of black tea.
