2022 ROSÉ || SONOMA COUNTY

Our vineyard selection for the Banshee Rosé has continued to evolve over the years. We source from select vineyards including parts of our Single Vineyard program, and the final blend is comprised of six varietals produced from six sub-appellations within the Sonoma County AVA.

VARIETAL COMPOSITION: 46% Pinot Noir, 25% Sangiovese, 20% Petite Sirah, 3% Black Muscat, 3% Carignan, 2% Syrah

VINEYARDS: 100% Sonoma County

TASTING: The 2022 Sonoma County Rosé is a lovely shade of pale salmon with aromas of floral, tutti-frutti bubblegum and fresh watermelon. Bright, mouth-watering flavors of juicy watermelon are highlighted by hints of minerality and a soft yet crisp finish. Racy acidity and elegance are balanced perfectly in this dry, crisp rosé.

2022 PINOT NOIR || TRENTON VINEYARD

The Trenton Vineyard is planted on low rolling hills just south from the banks of the Russian River. This cooler climate vineyard influenced by coastal morning and evening fog is planted to 777 and Mt. Eden clones.

VARIETAL COMPOSITION: 100% Pinot Noir

VINEYARD: Trenton Vineyard, Russian River Valley

TASTING: This pinot noir is extremely energetic, nuanced, and focused. On the nose, the wine jumps from the glass with aromas of baked cookie crumbs, strawberry jam and bacon dipped in fudge. The wine is a kaleidoscope of pomegranate and cherry in the mouth with notes of vanilla, cola and caramelized sugars. The finish is full of fine, mouthwatering structure, beautiful weight and tight acid making these bottles empty quickly.
